Unlock your life with smart solution
Leave your home security to Be-Tech

Various access

Be-Tech R100MT has two access solutions, RF Card key or PIN code for your convenience.

Auto Recognizing

Be-Tech R100MT can automatically recognize if the glass door is left-handed or right-handed when installed.

Remote Control Access (Optional)

Be-Tech R100MT can also be unlocked easily with remote control.

Fake PIN code

You can make an instant PIN code for security.

Invisible keypad

Keypad numbers can be seen only when you touch the screen with your palm.

Operation status notification

Whenever any operation is made, the LED indicator informs you what is happening through different colors and signs.

Automatic locking

Door lock will be locked automatically after opening door a few seconds. (Manual operation is also available)

Anti-panic exit system

For convenience and in case of emergency, it allows you to open the door by simply turning its thumbturn from inside.

Alarm (Incorrect RF Card or PIN code attempt)

Alarm will be on and lasts for 60 seconds if anyone attempts to open the lock with incorrect RF Card or PIN code for 5 times.

Low battery warning signal

A continuous “beep” sound during door access will alert you to replace batteries.
