CE

BE-TECH

Focus on Smart Lock Since 1992.

Specifications:

Outlets:

Optional internal power outlet mounted on the inside door available on Harmony 3HL and 5HL for guest's convenience. (Universal and EURO)

Handheld Service Unit (HSU)

Be-Tech HSU helps you setup and service your Be-Tech Harmony series safe in seconds. With the HSU you can even print a detailed 300-event log from the safe memory and synchronize the setting from one safe to others. Be-Tech HSU is also an electronic key to securely override Be-Tech Harmony series safes, which allows for easy day-to-day safe operations.
